

St. Mathias/St. Mary's Faith Formation

Hampton, MN

Dear families of Faith Formation students,

A letter was sent out in May with registration forms for our Faith Formation program. The forms were due back July 1st. If you are interested in enrolling your child/children in our program please register them as soon as possible. I have enclosed another registration form if needed. We need to get a count of how many students we will have so we can get rooms set up and books ordered. We are still in need of a third grade teacher as well. If interested contact Raena at (612)532-2431

Thank you!
